AMI 5550™

**UNLOCK YOUR
POTENTIAL**

AMI 5550™

UNLOCK YOUR POTENTIAL

The 5550 Milk Yield Indicator is the crossroad where great ergonomics meets ultimate efficiency. This purebred BouMatic detacher has been developed to be the best in class in the dairy industry. Available for new parlor or to upgrade your existing system, it offers you the opportunity to go to the next level.

An advanced milking interface with milk yield indicator with intuitive controls to manage an unrivaled list of functions.

- **Best in class** – Fully featured and affordable
- **Flexible** – Integrated, as a standalone or as a retrofit, there is a solution available for any situation
- **High contrast display** – Milk flow graph, milk yield, and more at a glance
- **Identification ready** – Paired with SmartDairy® to immerse yourself in advanced herd management
- **LED alarm** – Complementary color coded LED alarm assures you will never miss critical information, even from afar
- **Cow health monitoring** – Temperature, milk deviation and conductivity allow you to manage your cow health proactively
